

Prayer Request:

Please pray for favor from God for this ministry as we come together based on 2 Chronicles 7:14. Prayer Peaks is a small (but significant) link in the national / global prayer saturation that the Lord is bringing together for His glory in our hurting country and world.

Mission Statement:

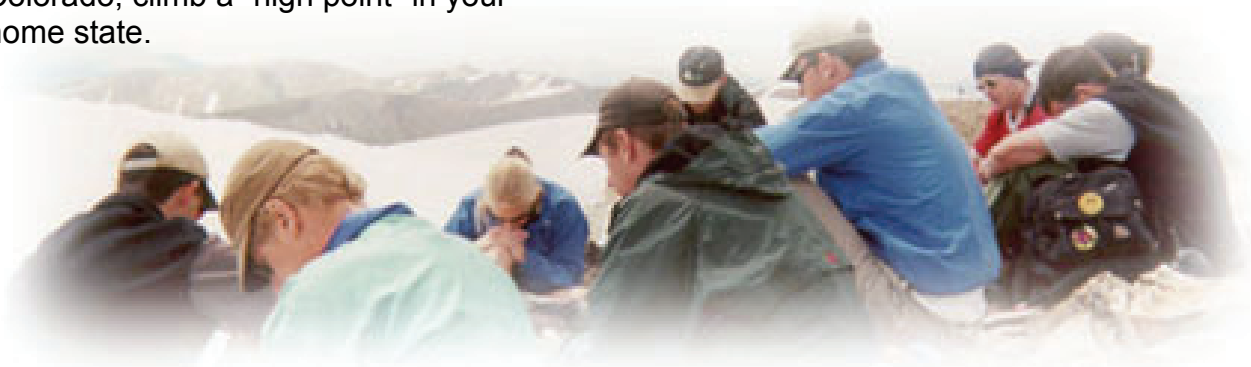

Prayer Peaks is a Christ-centered ministry dedicated to intercessory prayer for the Church of Jesus Christ from high elevations.

Goal of Prayer Peaks:

The goal of Prayer Peaks is to dispatch Christian climbers up the 54 Fourteeners of the Colorado Rockies on a common day and to intercede in prayer for the Christian Church in every state of the United States of America. If you can't make it to Colorado, climb a "high point" in your home state.

Origination:

While attending Multnomah Biblical Seminary in Portland, Oregon, I was reading Nehemiah and praying for a vision for ministry.

I came across Nehemiah's inspired words:

"I had not told anyone what my God had put in my heart to do for Jerusalem..."
(Nehemiah 2:12)

and a "heart's desire" was instantaneously birthed in me.

When I read this verse in Nehemiah, God gave me a vision of Christians praying for the Church of Jesus Christ in each of the United States from high atop the 54 Fourteeners of the Colorado Rockies.

Perfect! The vision I had been praying for! It was something I decided to pursue wholeheartedly following my seminary graduation. Soon after, on July 4, 1998, Prayer Peaks had begun.

Biblical Support for Prayer Peaks:

Jesus began His ministry by spending a night of prayer on a mountain. The next day, He chose His 12 disciples. Also, Jesus brought Peter, James and John to a mountaintop where He was transfigured before them as He met with His Father in heaven.

The Fourteeners of Colorado provide a spectacular environment that humbles those who have the Spirit of God. Looking out over creation and seeing the apparent insignificance of oneself provides a lesson in humility, and yet ushers believers into an intimacy with our Creator God.

A mountain is an awesome place to "seek God's face" for our crumbling nation!

The Vision:

You, family and friends climb a Fourteener and pray for the Christian Church in the state of your choice (chosen on a first-come, first-served basis). A prayer guide is listed on our web site.

Logistics for Climbing:

The 54 Fourteeners offer a vast array of climbing difficulty (e.g. from driving to the summit of Pikes Peak, to putting your life on the edge of Crestone Needle). Several peaks require backpacking to the base of the mountain.

Inevitably there will be other climbers present. We'll need to be sensitive to opportunities to share the Gospel with them.

Each climber should network with his or her Christian brothers and sisters to climb and pray together.

Bring plenty of water and food for each person, good hiking boots, rain gear, map and compass, sun block, etc.
